

GAME RULES

- 1** Place the animals as shown in the challenge. Put the animals not included in the challenge aside.
- 2** Place the 3 "ground" puzzle pieces on the game board, so that each kind of animal has its own burrow:
 - All 3 ground puzzle pieces must be used. They cannot overlap each other, the animal pieces or the border of the game board.
 - The fox and badger need to be separated in their own burrows. When multiple rabbits are included in a challenge they should live together in the same burrow.
 - Each burrow should have a separate exit at the top of the game board.
- 3** There is only one solution, which can be found in the back of the included challenge booklet.
